Talking annihilation; Full spectrum domination is an a

Bom. nation, This is the new domination, curse of proliferation

This is the new domination, curse of proliferation

So curiosity, What does it mean?
Call it safety and civilization

When all the earth can be blown to smithereens

What a contradiction when earth and sky are nuclear fuel

Then we can talk of security

What do we mean by security, when the wealthy feed off the poor and still go on demanding more?

Every day, billions are spent on every kind of armament.
countries that are starving and poor are still pushed into making wars

How can we talk of liberty, when children are held in captivity, and women are sold into slavery, and so many die in misery?

Justice for all must be the path we take to liberty.

This will be security and peace, when all the world is free, and...
When the nuclear winter falls, where can we go?

Only a barren landscape, No life left

Desolation, A

No life, No life, Only death, Desolation, A

No life, No life, Only death, Desolation, A

Poisoned desert, No trees or fields, No living thing.

Poisoned desert, No trees or fields, No living thing.

Poisoned desert, No trees or fields, No living thing.
De-vast-a-tion No-where to hide No cit-y streets, or

Thriving markets No-where, Nothing, No where to go,

Blaz-ing fires Or fro-zen waste Life-less, Empty, Sil-ence of death
Darkness, Starvation and death Nowhere safe from the silent killer,

Radiation, End of the future, Nothing, Nothing,

Nothing left, Nowhere, Nothing, Only death.
We are the human family, we all have equal rights. The right to life and liberty. And true security. The will of the people must direct the government. In four parts.

Suggested: one through in unison, three lines through in parts. As each part finishes, improvise until fourth part completes. Then sing in unison with 'the will of the people must direct the government.'

(=f) Gently

When the last sea is poisoned, the last tree cut down, and the last bird sings

(Chorus)

Then will we learn to cherish life, and leave the times of war?
The future is ours, and we all have a part.

Nothing stays the same;

When we remember the value of life,
Then we find the way

The future is ours, and we all have a part.

Nothing stays the same;

When we remember the value of life,
Then we find the way

Nothing stays the same;

When we remember the value of life,
Then we find the way

Then we find the way
Listen to the voice of the sea. Hear the bird.

Listen to the voice of the sea. Hear the bird.

Listen to the voice of the sea. Hear the bird.

Listen to the voice of the sea. Hear the bird.

Listen to the voice of the sea. Hear the bird.
